CPC hires Wittelsberger as Regional Sales Manager

St. Paul, Minn. – Sept. 15, 2014 – [CPC \(Colder Products Company\)](#), the leading provider of [quick disconnect](#) couplings, fittings and connectors for life sciences, specialty industrial and chemical handling markets, has hired Ray Wittelsberger as its new Regional Sales Manager. Wittelsberger will be focused on growing sales and managing CPC's business in the Mid-Atlantic region of North America.

Wittelsberger comes to CPC with a background in technical sales-related and customer-facing roles. He holds a Bachelor of Science in mechanical engineering from Virginia Tech University in Blacksburg, Va., and a Master of Business Administration from Loyola University in Baltimore, Md. Ray also recently completed his Project Management Professional (PMP) Certification. Wittelsberger will be based in Baltimore, Md.

CPC designs and manufactures more than 10,000 custom and standard products to meet the fluid handling challenges of various industries worldwide. Innovative couplings and fittings from CPC allow flexible tubing to be quickly and safely connected and disconnected in a broad range of applications while improving the overall functionality and design of the equipment and processes in which they are used. CPC makes people's lives better by developing innovative high quality products that make fluid handling safe and easy.
